Education

Charles University, Prague, Czechia.

Faculty of Mathematics and Physics, Institute of Formal and Applied Linguistics

2013–now **Doctoral Studies, computational linguistics.**

Discovering the structure of natural language sentences by semi-supervised methods

2007–2013 **Bachelor and Master Studies, computer science, computational linguistics.**

thesis “Automatic Post-editing of Phrase-based Machine Translation Outputs” [1]

Programming Skills

Fluent Perl, Bash, Subversion, vim

Operational Python, C++, Java, Linux, Git, SGE, LaTeX, SQL, web technologies

Basics C#, Prolog, XML

Research

2015–now **SloNLP, Slovakoczech NLP Workshop**, main organizer and PC chair.

2014–now **croSSSynt, Modelling dependency syntax across languages**, GAUK project, Principal Investigator.

2013–now **Universal Dependencies, Cross-lingually consistent dependency treebank annotation**, formerly the HamleDT project [5].

2013–2016 **TectoMT, Quality translation by deep language engineering approaches**, part of EU-funded project QTLeap.

2011–2015 **Deepfix, Automatic post-editing of statistical machine translation [2]**, part of EU-funded projects FAUST, QTLeap and HimL, Main Developer.

2011–2012 **FilmTit, Web application for computer-aided translation of movie subtitles**, students software project, Team Leader.

Awards

ÚFAL best paper award, one of the best papers of the institute.

2017 “Slavic Forest, Norwegian Wood” [6]

2014 “HamleDT 2.0: Thirty Dependency Treebanks Stanfordized” [5]

2013 “Deepfix: Statistical Post-editing of Statistical Machine Translation Using Deep Syntactic Analysis” [3]

Work

- 2011–now **Research Assistant and Teaching Assistant**, *Charles University*, Czechia.
syntactic parsing; syntax-based machine translation; Technology for NLP course
- 2015–2016 **Software Engineer (6 month internship)**, *Google*, Zurich, Switzerland.
automatic anaphora resolution in texts
- 2004–2014 **Software Developer**, *Jazyková škola Rosa*, Kladno, Czechia.
development and maintenance of business administration system; web pages
- 2004–2014 **Teacher of English**, *Jazyková škola Rosa*, Kladno, Czechia.
teaching English as second language to children and adults

Language Skills and Qualifications

- Czech native speaker
- English Certificate of Proficiency in English (C2)
- German on the level of B2
- Slovak passive knowledge on the level of B2
- French Diplôme d'étude de langue française (B1)

Selected Publications

Summary **30 peer-reviewed publications**, 329 citations, h-index 10 (Google Scholar).
