Education

Charles University, *Prague, Czechia.*

Faculty of Mathematics and Physics, Institute of Formal and Applied Linguistics

2013–now **Doctoral Studies**, *computational linguistics.*

Discovering the structure of natural language sentences by semi-supervised methods

2007–2013 **Bachelor and Master Studies**, *computer science, computational linguistics.*

thesis “Automatic Post-editing of Phrase-based Machine Translation Outputs” [2]

Programming Skills

Fluent Perl, Bash, Subversion, vim

Operational C++, Java, Linux, Git, SGE, LaTeX, SQL, web technologies

Basics Python, C#, Prolog, XML

Research

2014–now **croSSSynt**, *Modelling dependency syntax across languages*, GAUK project, Principal Investigator.

2013–now **Universal Dependencies**, *Harmonization of dependency treebank annotation* [1], formerly the HamleDT project [6].

2015–now **SloNLP**, *Slovakoczech NLP Workshop*, main organizer and PC chair.

2013–2016 **TectoMT**, *Quality translation by deep language engineering approaches*, part of EU-funded project QTLeap.

2011–2015 **Depfix**, *Automatic post-editing of statistical machine translation* [3], part of EU-funded projects FAUST, QTLeap and HimL, Main Developer.

2011–2012 **FilmTit**, *Web application for computer-aided translation of movie subtitles*, students software project, Team Leader.

Awards

09/2014 **ÚFAL best paper award 2013 – 2014**, *one of 3 best papers of the institute.*
paper “HamleDT 2.0: Thirty Dependency Treebanks Stanfordized” [6]

09/2013 **ÚFAL best paper award 2012 – 2013**, *one of 3 best papers of the institute.*
paper “Deepfix: Statistical Post-editing of Statistical Machine Translation Using Deep Syntactic Analysis” [4]

Work

- 2011–now **Research Assistant and Teaching Assistant**, *Charles University*, Czechia.
syntactic parsing; syntax-based machine translation; Technology for NLP course
- 2015–2016 **Software Engineer (6 month internship)**, *Google*, Zurich, Switzerland.
automatic anaphora resolution in texts
- 2004–2014 **Software Developer**, *Jazyková škola Rosa*, Kladno, Czechia.
development and maintenance of business administration system; web pages
- 2004–2014 **Teacher of English**, *Jazyková škola Rosa*, Kladno, Czechia.
teaching English as second language to children and adults

Language Skills and Qualifications

- Czech native speaker
- English Certificate of Proficiency in English (C2)
- German on the level of B2
- Slovak passive knowledge on the level of B2
- French Diplôme d'étude de langue française (B1)

Selected Publications

Summary **27 peer-reviewed publications**, 246 citations, h-index 9 (Google Scholar).
